NOTE FOR: Mr. B [redacted] via Mr. C [redacted]

Mr. [redacted]

STATINTL  
STAT

I have prepared the attached memorandum for the Executive Director-Comptroller which briefly outlines salient points contained in [redacted] review of the Midcareer Course. You will remember that we sent statistics on Courses No. 13, 14, and 15 to Colonel White with your 2 April 1968 memo.

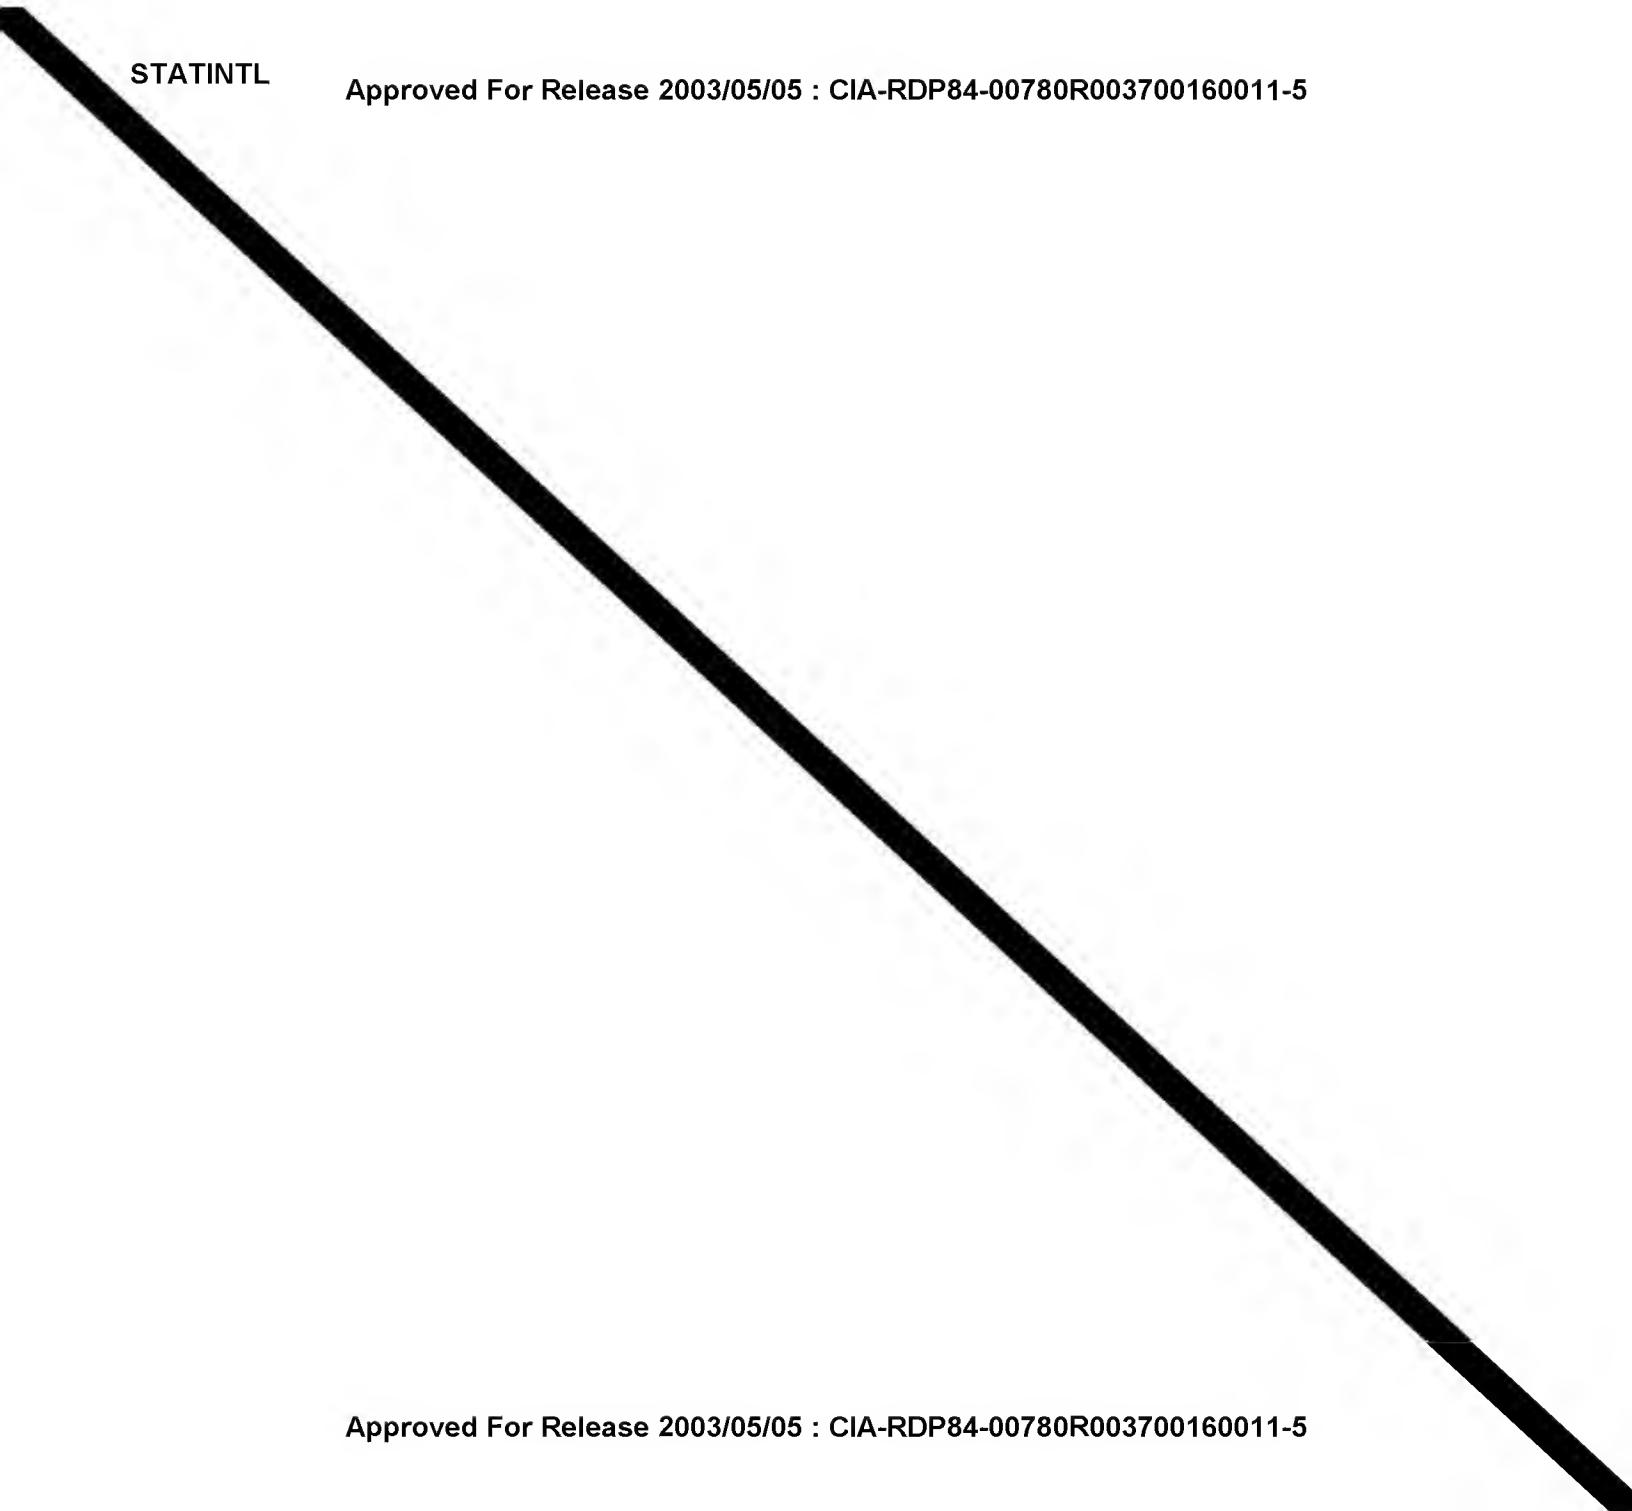

STAT

Although you essentially answered the question posed as to the disposition of non-committed slots (para 14 of the report) during the course of Mr. [redacted] briefing on 24 May, I presume that you may have occasion to discuss the report itself with Colonel White and will formally advise Mr. Richardson of your answer to this query after your discussion with Colonel White.

STAT

I think this is OK to forward even though I have some [unclear] doubt as to agreement among Directorates that Executive Development is the objective. Minor point - the stat in Concur [unclear] must not control class size greater numbers truly important.
